ALPHA ASIA PACIFIC CONFERENCE 2026

OVERVIEW

Join the Australian Delegation as we gather with church and Alpha leaders from across the Asia Pacific region for the **Alpha Asia Pacific Conference 2026**.

This conference offers a unique and strategic opportunity for Australian leaders to be inspired by what God is already doing across Asia, to deepen their understanding of cross-cultural mission, and to explore effective ways to engage with the increasingly multicultural communities shaping the future of Australia.

With the majority of migration to Australia coming from the Asia Pacific region, this gathering is more than a conference; it is a moment to listen, learn, and lean into God's global mission together.

Participants will hear directly from **Nicky Gumbel**, alongside regional leaders who are seeing Alpha used powerfully in diverse cultural contexts, and will join with leaders from across the region in worship, learning, and prayer.

WHY JOIN THE AUSTRALIAN DELEGATION?

Participants will experience:

- A shared journey with leaders from across Australia
- Intentional spaces for connection, reflection, and prayer
- Exposure to the wider Alpha movement across the Asia Pacific
- Insight into engaging multicultural and migrant communities with confidence
- Inspiration from stories of faith, innovation, and mission from across the region

This trip is ideal for church leaders, pastors, ministry leaders, and Alpha leaders who are passionate about evangelism, leadership development, and the future of the church in Australia.
